

An important message for Newport Residents regarding your tax dollars and recycling

On behalf of the Selectboard and Recycling Committee, Newport residents are encouraged to attend an informative meeting at the Newport Public Safety Building located at 21 Water Street on July 11th, 2018 @ 6:00 PM. Mr. Mark King with Maine Department of Environmental Protection, Composting Division will be present to speak to composting efforts and what this means to our environment and financial wellbeing.

Other topics discussed will be:

Solid waste cost analysis

Organizational Suggestions to address increased costs

- a) Permit Fees**
- b) Pay as you throw**
- c) Recycling, are we doing enough**
- d) Food composting**
